Comments

Draft vision	Mention Environmental-"Green/Low Carbon"
	And good transport buses to Sharpness
Community facilities and retail	Cinema would be nice
	Free tennis courts and swimming pool
	Need for community use of Ship Inn site
	Stonehouse needs a community based emergency health facility
	Fashionable clothes shop
Green space and recreation	Please do not build a Petrol station next to the canal! The Ship Inn site could be redeveloped with much more imagination!
	Agree (with above)
	Make Wycliffe donate the land by the old boat house for community use
	A petrol station on the Old "Ship Inn" site would be an ugly addition to the canal
Housing Development	Not large housing estates-more housing for older people-Bungalows
	Incinerator not Housing at Eastington
	Housing at Javelin Park instead of incinerator
	Use secret garden for 2 storeys of flats for the elderly like Orchard Court. OR shops with flats above.
	If have new housing also have to have Doctors, School, Hospitals for people
	Housing estate/new town at "Westington" would be detrimental to Stonehouse
Getting around	Canal use improved. Joined up thinking. Eastington>Stonehouse>Stroud
	Keep Stonehouse train station in Stonehouse. Re-open Midland line station to Bristol near RHP site
	Issues with Oldends crossing at busy times
	Need to get to Bristol by train.
	Agree!! (with above)
	Station to Bristol by train
