

Stonehouse Walking Festival

We are very pleased and excited to announce our 3rd Stonehouse Walking Festival, which is scheduled to take place from Friday 9th to Sunday 18th September 2022.

The Festival includes a wide variety of guided walks for all ages and abilities – and it's free! The walks on offer range from short walks and strolls, to day-long hikes for fitter walkers. There will even be a boat trip suitable for wheelchair users and pushchairs. In addition there will be walks with added special interests including family fun, history, nature and trees.

Join us for the walking festival. It's a great opportunity to meet like-minded people, and to find out more about Stonehouse and its beautiful surroundings.
